REQUEST FOR INFORMATION

GENERAL OBJECTIONS

Now comes The Sherwin-Williams Company (the "Company") and states its general objections to the Request for Information dated March 14, 1988 ("RFI") as follows:

1. That some of the information responsive to the RFI is privileged.

2. That some or all of the information requested is confidential and contains trade secrets of The Sherwin-Williams Company.

3. That many of the requests for information are vague, ambiguous or contain terms which can be construed in various manners, therefore, response is impossible. Without waiving any of the foregoing, the Company answers the RFI as follows:

1. None
2. No documents were found that referred to or indicated any relationship between the Sherwin-Williams Company and the Sanitary Landfill Company Site.
3. To my knowledge, none known.
4. The Sherwin-Williams Company has EPA Identification Numbers for a number of sites. No evidence is known of any association between a Sherwin-Williams I.D. No. and the Sanitary Landfill Company Site.
5. None known.
6. See attachment #1.

No questions numbered 7 or 8.

9. I have no personal knowledge of any person, including myself, who arranged for disposal or treatment or transportation for disposal or treatment for disposal or treatment of waste materials, including hazardous substances, at the Site or to the Site.
